

# GREEN BIN TIPS

If it's food waste, it can go in the Green Bin\*

## As easy as 1-2-3!

1. Line your kitchen container with a plastic bag (no biodegradable bags)
2. Twist or loosely tie the plastic bag (no twist ties)
3. Take it to your building's Green Bin collection area

\*Other items such as coffee grounds, diapers, house plants, kitty litter can also go in. For a complete list, go to [toronto.ca/greenbin](https://toronto.ca/greenbin)

## What doesn't go in

- |   |   |
|---|---|
| <b>X</b> Packaging (plastic bags/wrap, aluminum foil, etc.) | <b>X</b> Biodegradable products (bags, cutlery, plates, cups) |
| <b>X</b> Plastic food containers                            | <b>X</b> Pop cans   |
| <b>X</b> Glass jars   | <b>X</b> Pieces of wood                                       |
